All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only, not to all Covered Bonds that may be issued under the Programme.

The Covered Bonds are issued outside France by Banques Populaires Covered Bonds in Series (each a **Series**) having one (1) or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. The Covered Bonds are issued with the benefit of an amended and restated paying agency agreement dated on or before the date hereof (the **Amended and Restated Paying Agency Agreement**) between the Issuer, BGL as fiscal agent (the **Fiscal Agent**), principal paying agent (the **Principal Paying Agent**, France paying agent (the **France Paying Agent**), Luxembourg paying agent (the **Luxembourg Paying Agent**), listing agent (the **Listing Agent**), redenomination agent (the **Redenomination Agent**), consolidation agent (the **Consolidation Agent**) and bond calculation agent (the **Bond Calculation Agent**), in respect of the initial Tranche under the Programme and any subsequent Tranches under the Programme as agreed). The Principal Paying Agent, the Luxembourg Paying Agent and the France Paying Agent shall be together referred to below as the **Paying Agents** (which expression shall also include the Fiscal Agent). The holders of the interest coupons (the **Coupons**) relating to interest bearing Materialised Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the **Talons**) for further Coupons and the holders of the receipts for the payment of instalments of principal (the **Receipts**) relating to Materialised Covered Bonds of which the principal is redeemable in instalments are respectively referred to below as the **Couponholders** and the **Receiptholders**.

- (ix) if **30E/360-FBF** is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of days elapsed during such period, calculated on the basis of a year comprising twelve (12) months of thirty (30) days, subject to the following the exception: if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days.

Where:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

D2 (dd2, mm2, yy2) is the date of the end of the period

The fraction is:

$$\frac{1}{360} \times (yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30).$$

(c) *Interest on Floating Rate Covered Bonds and Index Linked Covered Bonds*

- (i) *Interest Payment Dates:* Each Floating Rate Covered Bond and Index Linked Interest Covered Bond bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.
- (iii) *Rate of Interest for Floating Rate Covered Bonds:* The Rate of Interest in respect of Floating Rate Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in (i) the relevant Final Terms and/or (ii) the provisions below relating to either FBF Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Covered Bonds:

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Bond Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), **FBF Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Bond Calculation Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency governed by the 2001 FBF Master Agreement (*convention cadre FBF*) relating to transactions on forward financial instruments (formerly 1994 AFB Master Agreement for Foreign Exchange and Derivatives Transactions), as supplemented by the then applicable Interest and Currency Technical Annex (*Echange de conditions d'Intérêt ou de Devises - Additif Technique*) published by the *Association Française des Banques* or the *Fédération Bancaire Française* (the **FBF Definitions**) and under which:

- (1) the Floating Rate is as specified in the relevant Final Terms; and
- (2) the Floating Rate Determination Date is as specified in the relevant Final Terms.

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Bond Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Bond Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Bond Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Bond Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Bond Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Bond Calculation Agent (the *Principal Financial Centre*) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Bond Calculation Agent determines that fewer than two (2) of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Covered Bonds:* The Rate of Interest in respect of Index Linked Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) *Zero Coupon Covered Bonds*

Where a Covered Bond the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Final Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant

Final Terms, pursuant to Condition 7(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).

(e) *Dual Currency Covered Bonds*

In the case of Dual Currency Covered Bonds, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) *Partly Paid Covered Bonds*

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up nominal amount of such Covered Bonds and otherwise as specified in the relevant Final Terms.

(g) *Accrual of Interest*

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(h) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding*

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(i) *Calculations*

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest

Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(j) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts*

The Bond Calculation Agent shall, as soon as practicable on such date as the Bond Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Covered Bonds, any other Bond Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are listed on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Bond Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(k) *Bond Calculation Agent and Reference Banks*

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Bond Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Bond Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Bond Calculation Agent shall be construed as each Bond Calculation Agent performing its respective duties under the Conditions. If the Bond Calculation Agent is unable or unwilling to act as such or if the Bond Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Bond Calculation Agent (acting through its principal Paris or Luxembourg office, as appropriate, or any other office actively involved in such market) to act as such in its place. The Bond Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. REDEMPTION, PURCHASE AND OPTIONS

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Bondholders' option in accordance with Condition 7(c) or 7(d), each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Covered Bond falling within Condition 7(b) below, its final Instalment Amount.

(b) *Redemption by Instalments*

Unless previously redeemed, purchased and cancelled as provided in this Condition 7, or the relevant Instalment Date (being one (1) of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Bondholders' option in accordance with Conditions 7(c) or 7(d), each Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) *Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption*

If a Call Option or any other Issuer's option (as may be described in the relevant Final Terms) is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any other option in relation to all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with article R. 213-16 of the French Monetary and Financial Code (*Code monétaire et financier*)

and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Covered Bonds, cause to be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper of general circulation in Luxembourg a notice specifying the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds a list of any Materialised Covered Bonds, drawn for redemption but not surrendered.

(d) *Redemption at the Option of Bondholders and Exercise of Bondholders' Options*

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Bondholders' Option as may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the **Exercise Notice**) in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) *Early Redemption*

(i) *Zero Coupon Covered Bonds*

(A) The Early Redemption Amount payable in respect of any Zero Coupon Covered Bond, the amount of which is not linked to an index and/or a formula, upon redemption of such Covered Bond pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Covered Bond unless otherwise specified in the relevant Final Terms.

(B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such Covered Bond (the **Amortised Nominal Amount**) shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Covered Bonds if they were discounted back to their issue price on the Issue Date) (the **Amortisation Yield**) compounded annually.

(C) If the Early Redemption Amount payable in respect of any such Covered Bond upon its redemption pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Covered Bond shall be the Amortised Nominal Amount of such Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after

the Final Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) *Other Covered Bonds*

The Early Redemption Amount payable in respect of any Covered Bond (other than Covered Bonds described in (i) above), upon redemption of such Covered Bond pursuant to Condition (f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption unless otherwise specified in the relevant Final Terms.

(f) *Redemption for Taxation Reasons*

(i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

(ii) If the Issuer would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) *Redemption due to illegality*

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all relevant laws, regulations and directives, in whole, but not in

part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Borrower Loan made by it to the Borrowers or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all Bondholders, Receiptholders and Couponholders.

Covered Bonds redeemed pursuant to this Condition 7(g) will be redeemed at their Early Redemption Amount referred to in paragraph 7(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) *Partly Paid Covered Bonds*

Partly Paid Covered Bonds will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the provisions specified in the relevant Final Terms.

(i) *Purchases*

The Issuer shall have the right at all times to purchase Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

(j) *Cancellation*

All Covered Bonds purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Covered Bonds in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Covered Bonds redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Definitive Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Covered Bonds so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Covered Bonds shall be discharged.

8. PAYMENTS AND TALONS

(a) *Dematerialised Covered Bonds*

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Covered Bonds and, (ii) in the

case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) *Definitive Materialised Covered Bonds*

(i) *Method of payment*

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) *Presentation and surrender of Definitive Materialised Covered Bonds, Receipts and Coupons*

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form (other than Dual Currency Covered Bonds or Index Linked Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond, Dual Currency Covered Bond, Index Linked Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments subject to Fiscal Laws*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 9. No commission or expenses shall be charged to the holders of Covered Bonds or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Fiscal Agent, the Paying Agents and the Bond Calculation Agent are initially appointed by the Issuer and their respective specified offices are listed at the end of the Base Prospectus relating to the Programme of the Covered Bonds of the Issuer. The Fiscal Agent, the Paying Agent, the Bond Calculation Agent and the Registration Agent act solely as agents of the Issuer and the Bond Calculation Agent(s) act(s) as independent expert(s) and, in each case such, do not assume any obligation or relationship of agency for any Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint the Fiscal Agent, other Paying Agent(s), Registration Agent(s) or Bond Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Bond Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one (1) or more Bond

Calculation Agent(s) where the Conditions so require, (iii) Paying Agents having specified offices in at least two (2) major European cities (including Luxembourg so long as the Covered Bonds are listed on the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange and, so long as the Covered Bonds are listed on any other Regulated Market of the EEA, such other city where the Covered Bonds are listed), (iv) in the case of Materialised Covered Bonds, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (v) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Covered Bonds may be listed .

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Covered Bonds in accordance with Condition 17.

(f) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) *Business Days for Payment*

If any date for payment in respect of any Covered Bond, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, **Business Day** means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of Materialised Covered Bonds, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as **Financial Centre(s)** in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) *Bank*

For the purpose of this Condition 8, **Bank** means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

9. TAXATION

(a) *Tax Exemption for Covered Bonds issued or deemed to be issued outside France*

Interest and other revenues with respect to Covered Bonds constituting *obligations* under French law are issued or deemed to be issued outside France for taxation purposes, and thus benefit in France from the exemption provided for in article 131 *quater* of the French General Tax Code (*Code Général des Impôts*) from deduction of tax at source as construed by the *Direction de la Législation Fiscale* in the statement of practice dated 6 October 1998

(referenced 5 I-11-98), the letter addressed to the *Fédération Bancaire Française* on 23 July 2007, and the ruling (*rescrit*) dated 8 January 2008 (referenced 2007/59 FP). Correspondingly such payments do not give the right to any tax credit from any French source.

As to the meaning of the expression "issued or deemed to be issued outside France" see "General Description of the Programme -- Taxation" above.

(b) *Additional Amounts*

If French law should require that payments of principal or interest in respect of any Covered Bond, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Bondholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Covered Bond, Receipt or Coupon, as the case may be:

- (i) *Other connection:* to, or to a third party on behalf of, a Bondholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with France other than the mere holding of the Covered Bond, Receipt or Coupon; or
- (ii) *More than thirty (30) days after the Relevant Date:* in the case of Definitive Materialised Covered Bonds, more than thirty (30) days after the Relevant Date except to the extent that the Bondholder, Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such day; or
- (iii) *Payment to individuals:* where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) *Payment by another Paying Agent:* in the case of Definitive Materialised Covered Bonds presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Covered Bond, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

References in these Conditions to (A) "principal" shall be deemed to include any premium payable in respect of the Covered Bonds, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 7 or any amendment or supplement to it, (B) "interest" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 6 or any amendment or supplement to it and (C) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

10. EVENTS OF DEFAULT

If an Issuer Event of Default occurs in respect of any Series, the Representative may, at its discretion, and shall, if so directed by the Majority Bondholders or if such Issuer Event of Default is a Covered Bonds Cross Acceleration Event, upon written notice (an ***Issuer Enforcement Notice***) to the Issuer (with copy to the Fiscal Agent, or, as the case may be, the Substitute Administrative Agent, to the Issuer Security Agent and to the Rating Agencies) given before all defaults shall have been cured, cause the principal amount of all Covered Bonds of such Series to become due and payable (but subject to the relevant Payment Priority Order), together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent and, as provided under the Issuer Security Agreements, enforce the rights of the Bondholders under the Issuer Security Agreements.

11. PRESCRIPTION

Claims against the Issuer for payment in respect of any amount due under the Covered Bonds, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

12. REPRESENTATION OF BONDHOLDERS

Holders of Covered Bonds will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the *Masse*).

The Masse will be governed by the provisions of the French Commercial Code (*Code de commerce*) with the exception of articles L. 228-48, L. 228-59, L. 228-71, L. 228-80, R. 228-63, R. 228-67, R. 228-69 and R. 228-83, subject to the following provisions:

(a) *Legal Personality*

The Masse will be a separate legal entity and will act in part through a representative (the *Representative*) and in part through a general meeting of the holders of Covered Bonds (the *General Meeting*).

The Masse alone, to the exclusion of all individual holders of Covered Bonds, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Covered Bonds.

(b) *Representative*

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its Board (*conseil d'administration*), its managing directors (*directeurs généraux*), its statutory auditors, its employees and their ascendants, descendants and spouse; or
- (ii) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), managing directors (*directeurs généraux*), members of their Board, executive board or supervisory board, their statutory auditors, employees and their ascendants, descendants and spouse; or
- (iii) companies holding directly (10%) or more of the share capital of the Issuer or companies having ten per cent. (10%) or more of their share capital held by the Issuer; or
- (iv) persons to whom the practice of banking is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The Representative appointed in respect of the first Tranche of the first Series of Covered Bonds will be:

Natixis
30 avenue Pierre Mendès-France
75013 Paris
France

The Representative appointed in respect of the first Tranche of any Series of Covered Bonds will be the Representative of the single Masse of all Tranches in such Series. The Representative appointed in respect of each Series of Covered Bonds will be the Representative in respect of the first Tranche of the first Series of Covered Bonds.

The alternative representative shall be:

Frédéric Louvard
9 rue Mollien
92100 Boulogne

France

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternative representative. In the event of the death, retirement or revocation of appointment of the alternative representative, an alternative representative will be elected by the General Meeting.

The Issuer shall pay to the Representative an amount of Euro 1,000 per year so long as any of the Covered Bonds is Outstanding. The alternative representative will only become entitled to the annual remuneration of Euro 1,000 if it exercises the duties of Representative on a permanent basis; such remuneration will accrue from the day on which it assumes such duties.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternative representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) *Powers of Representative*

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the holders of Covered Bonds.

For the avoidance of doubt, the Issuer Security Agent shall have the power, upon the issue of each Series of Covered Bonds, to release and retake any existing security so that holders of Covered Bonds of all Series benefit *pari passu* from such security and to enforce the Issuer Security upon the service of an Issuer Enforcement Notice.

All legal proceedings against the Bondholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(d) *General Meeting*

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One (1) or more Bondholders, holding together at least one-thirtieth (1/30) of the principal amount of the Covered Bonds outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Bondholders may commission one (1) of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 17.

Each Bondholder has the right to participate in a General Meeting in person or by proxy. Each Covered Bond carries the right to one (1) vote or, in the case of Covered Bonds issued with more than one (1) Specified Denomination, one (1) vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Covered Bond.

(e) *Powers of the General Meetings*

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternative representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Covered Bonds, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by Bondholders, nor establish any unequal treatment between the Bondholders.

General Meetings may deliberate validly on first convocation only if Bondholders present or represented hold at least a fifth (1/5) of the principal amount of the Covered Bonds then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third (2/3) majority of votes cast by Bondholders attending such General Meetings or represented thereat.

(g) *Expenses*

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Covered Bonds.

The holders of Covered Bonds of the same Series, and the holders of Covered Bonds of any other Series which have been assimilated with the Covered Bonds of such first mentioned Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Covered Bonds will be the Representative of the single Masse of all such Series.

13. REPLACEMENT OF DEFINITIVE MATERIALISED COVERED BONDS, RECEIPTS, COUPONS AND TALONS

If, in the case of any Materialised Covered Bonds, a Definitive Materialised Covered Bond, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Covered Bond, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Covered Bonds, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Covered Bonds, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. LIMITED RECOURSE, NON-PETITION

Limited Recourse

By subscribing to any Covered Bond, each Bondholder will be automatically deemed to have agreed:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under the Covered Bonds and these Conditions against any shareholder, any member of the executive board (*directoire*) of Banques Populaires Covered Bonds (the **Issuer Executive Board**), any member of the supervisory board (*conseil de surveillance*) of Banques Populaires Covered Bonds (the **Issuer Supervisory Board**), any director or agent of the Issuer, as such, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under the Covered Bonds and these Conditions is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the Issuer Executive Board, members of the Issuer Supervisory Board, managing directors or agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in these Conditions or implied therefrom and, as a condition of and in consideration for the issuing by the Issuer of any Covered Bond, to waive any and all personal liability of every such shareholder, member of the Issuer Executive Board, member of the Issuer Supervisory Board, director or agent of the Issuer, for breaches by the Issuer of any of its obligations, covenants or agreements under the Covered Bonds and these Conditions;
- (b) to limit its recourse against the Issuer under the Covered Bonds and these Conditions to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and these Conditions (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under the Covered Bonds and these Conditions) and in accordance with the then applicable Priority Payment Order; and
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and/or these Conditions shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date of each relevant Series of Covered Bonds (provided that, to the extent that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and, provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be limited to its respective shares of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment to it of its respective share of such Available Funds, the obligations of the Issuer to it shall be discharged in full).

Non-Petition

By subscribing to any Covered Bond, each Bondholder will also be automatically deemed to have agreed that prior to the date which is eighteen (18) months and one (1) Business Day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under the Covered Bonds by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant Bondholder shall survive the payment of all sums owing under any Covered Bond and/or these Conditions.

15. PRIORITY PAYMENT ORDERS

As more fully described under section "Cash Flow" of the Base Prospectus, any and all sums due by the Issuer under the Programme (including principal and interest under the Covered Bonds) will be paid within the limit of the Available Funds of the Issuer at the time of such payment and according to the relevant Priority Payment Order described under section "Cash Flow" of the Base Prospectus. As a consequence, the payment of certain sums will be subordinated to the full payment of other sums. Bondholders are deemed to have notice of the provisions of the section "Cash Flow" of the Base Prospectus.
